

TABLE LINEN

A COMPANY WITH TRADITION

Only a few companies have expertise dating back to the 19th century, as Vénilia does. In 1874, Vénilia (at the time still operating as Maréchal factory) began producing its first tablecloths. In 1956, the company gained an international reputation for its range of adhesive film. This former-pioneer status is still respected to this day, due to ongoing changes.

ALWAYS IN TOUCH WITH THE LATEST TRENDS

Vénilia has made a name for itself with its high quality products and broad product range: Tablecloths, table protectors, table sets, adhesive films, anti-slip mats and other useful accessories. The company responds to the wishes and expectations of its customers and now offers almost one thousand items for a trendy table culture and interior design accessories.

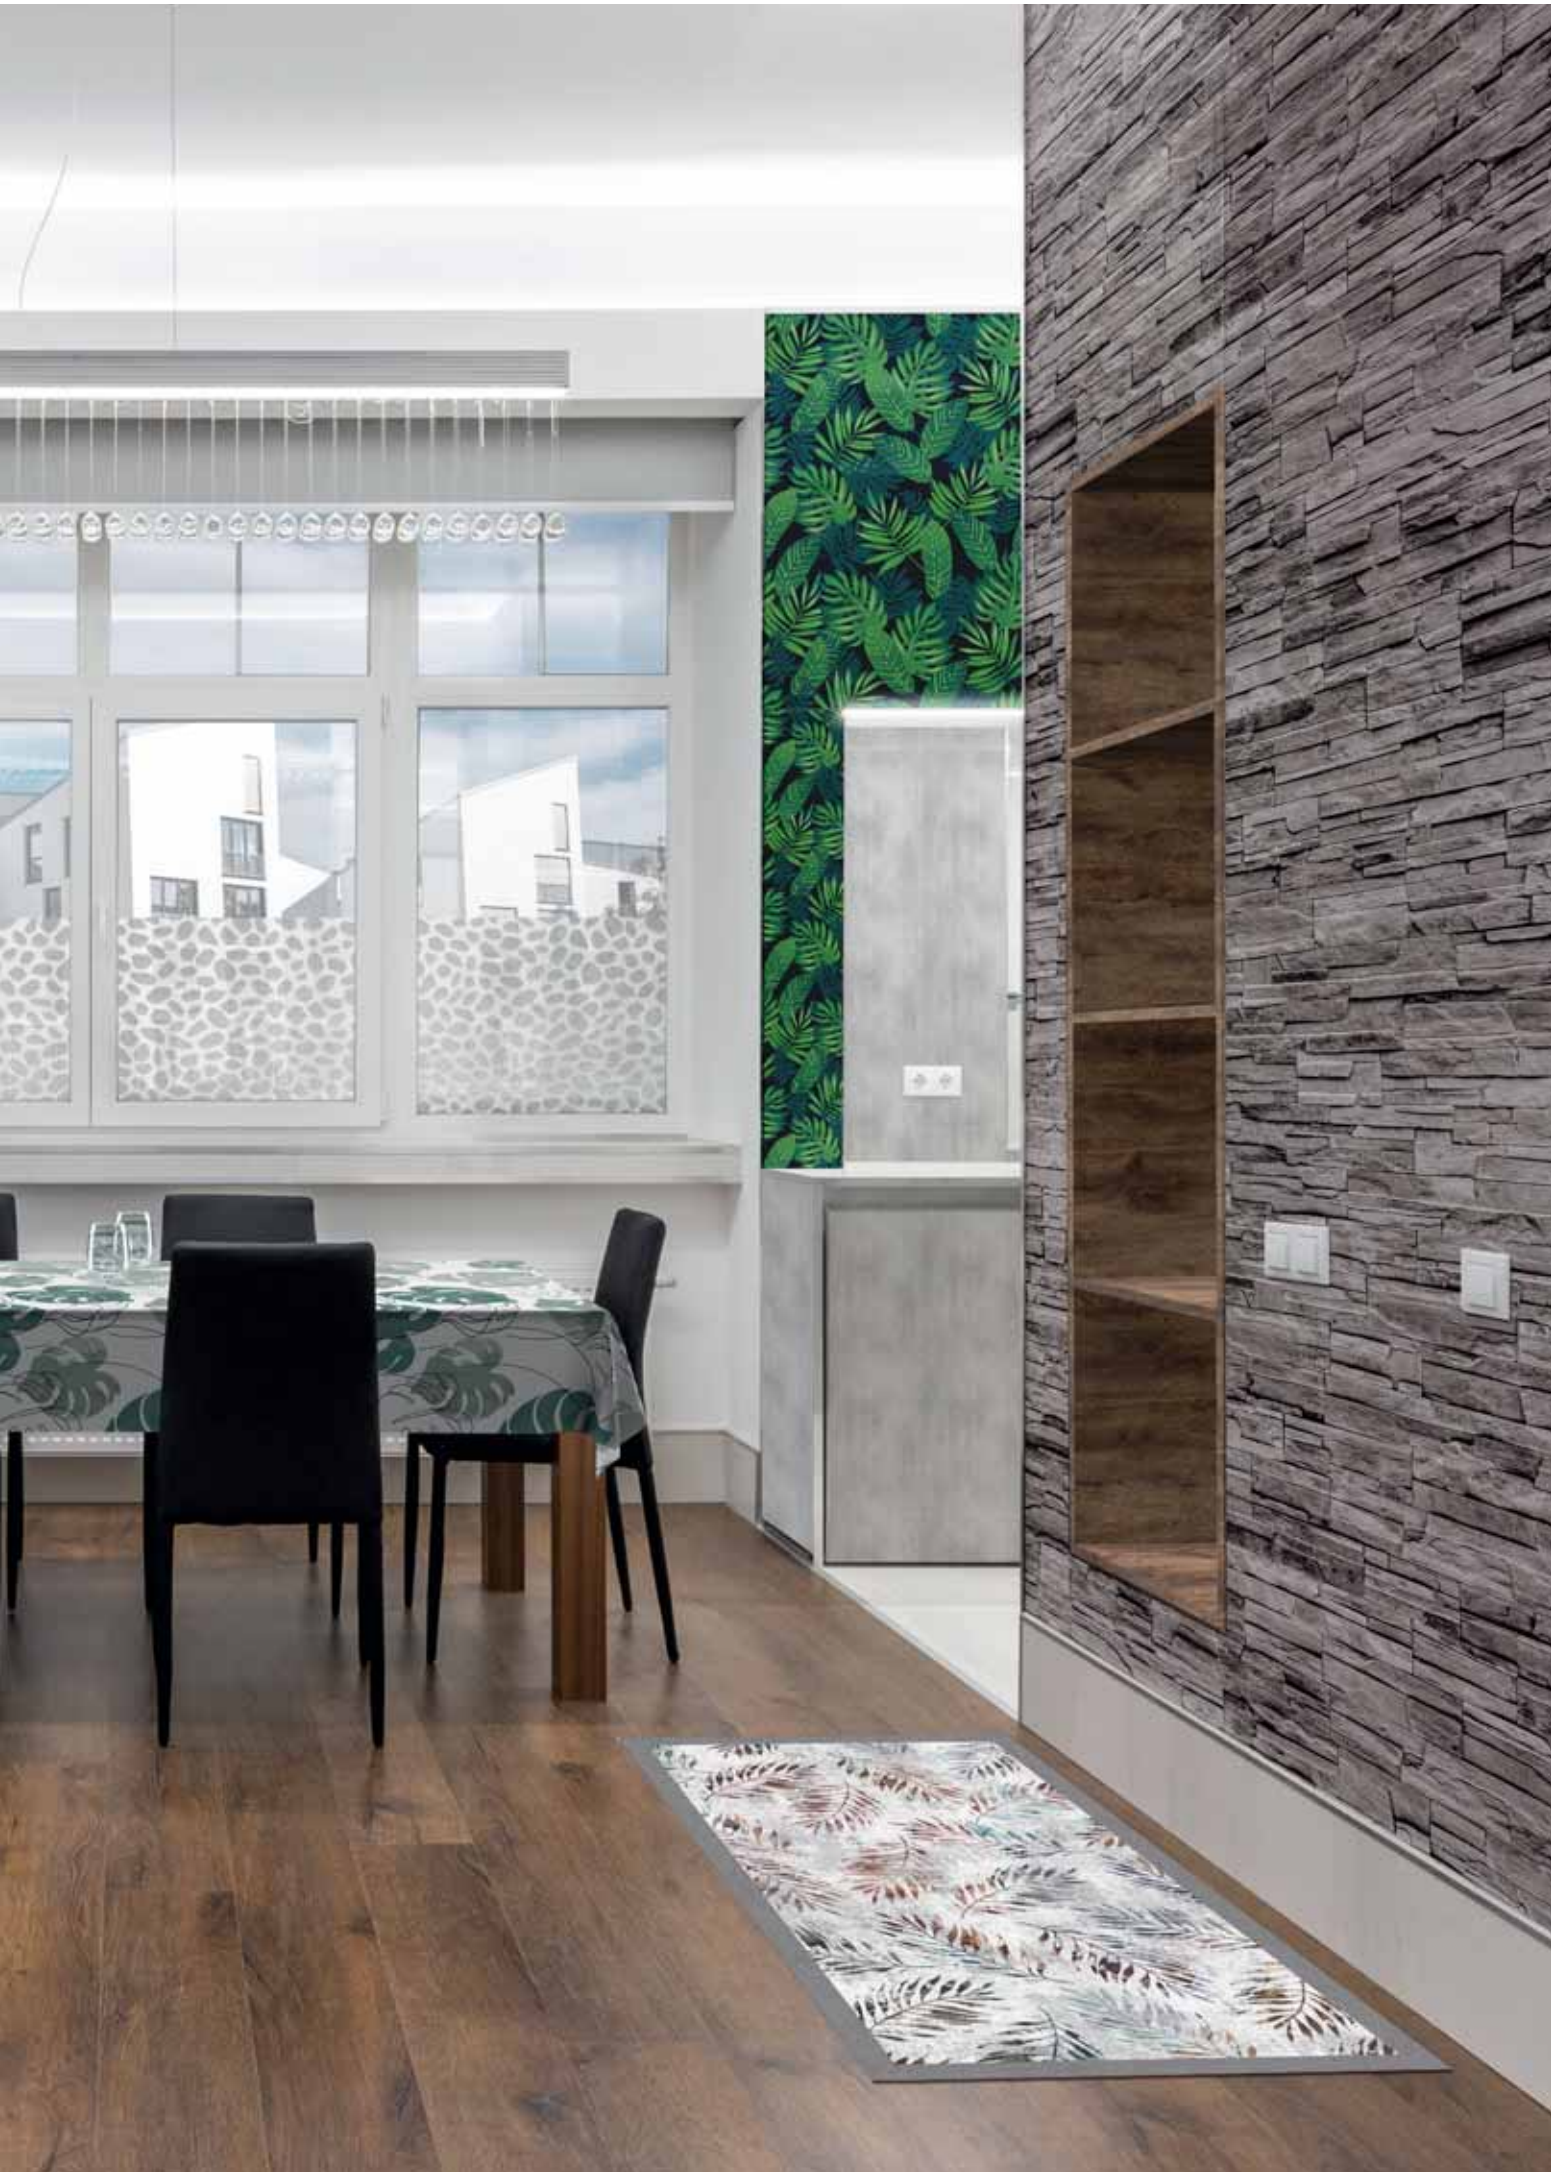

WINDHAGER ACQUIRES THE CONTROLLING STAKE OF VAN MERKSTEIJN PLASTICS

In November 2018 the Vénilia Group took over the controlling stake of the PVC-film maker Van Merksteijn Plastics (VMP) in Enschede. With this strategic acquisition the Vénilia Group can combine the strengths of a trading company with those of manufacturers.

ONE CONCEPT. **MORE STYLE!**

Create a coherent new look for any home! Ideal combinations of different products from our range, from adhesive foils, to tablecloths, anti-slip mats and kitchen backsplashes make it easy and fun. Be sure to check both catalogues for matching styles.
