Speciální PVC fólie odolávající horku a mastnotám, vyrábí se v provedení **BORDURA** (23,5x195 cm), **BACKSPLASH** (45x180 cm) a **Kitchen PANEL** (45x65 cm). Snadno se lepí, díky mikroděrování nevznikají bubliny. Ošetřuje se jednoduše vlhkým hadrem, příp. saponátem.
